

Mooredale Sailing Club

Learn to Sail in 2009

Don't miss out on the fun!

About Our Club

Although Mooredale Sailing Club has been around for over 35 years it is one of Toronto's best kept secrets! As a community sailing club we offer affordable sailing open to anyone who wants to learn to sail.

Our rustic clubhouse is right on the water's edge with a great sundeck, gas barbeques, free parking

and 150 of your newest best friends. In addition to a change-room and locker area, the clubhouse has an open area for parties and classes, and a food preparation area.

Every Wednesday in the summer the club hosts a Social Night where different groups of volunteers compete for the honour of presenting the most delicious and imaginative meal of the season.

Mooredale Sailing Club owns and maintains a fleet

of 18 Albacores, 5 Lasers and 2 Hobie Cats. In addition to the sailing fleet, Mooredale owns 2 power boats for use during lessons and races and for towing boats.

New members benefit from the help of experienced sailors who provide sailing assistance and guidance in supervised sails, as class coaches, and during race training sessions.

Hassle-free sailing, good friends, and only minutes away from downtown Toronto! It's like having a cottage in the heart of the city!

New to sailing?

Typically a new sailor starts off by taking the White Sail III course, consisting of about 45 hours of lessons. The lessons cover all the basics of sailing and are taught by certified CYA Instructors. On passing you receive CYA Level III certification and are then able to sign boats out on your own.

There are 4 White Sail sessions every year, in early May, June or July. Check our website www.Mooredale.com to find the one that best suits your schedule.

The lessons are a great way to meet other new members, and these friendships tend to last for years.

Social Sailing?

Many members sail for the simple pleasure of it, and

choose not to race. The club has a weekly social draw to match up sailors for a sail each Wednesday evening. This is a great way to meet new friends and sharpen your sailing skills!

Interested in Racing?

Over the past 35 years Mooredale has produced some of the top dinghy racers. Those interested

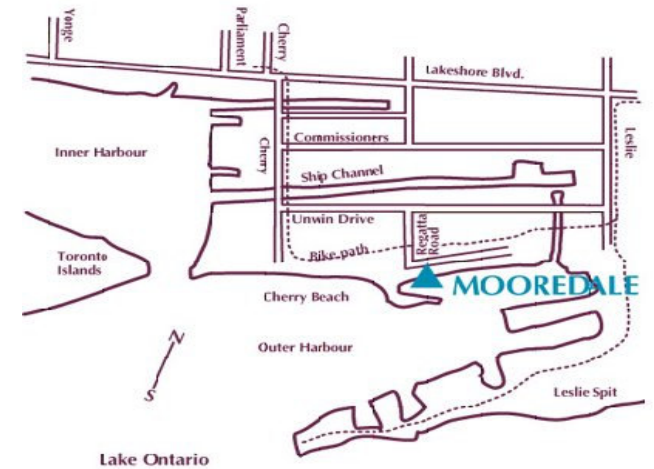

in racing have access to top quality training every week and the ability to use our boats in the many races that take place each week.
