

MOOREDALE

Mooredale Pool Youth Volunteer Program

We are seeking applicants to participate in the Mooredale Pool Youth Volunteer Program (YVP) this summer! This program is designed to encourage youth participation, while they learn about how our group lesson program operates, and to promote water safety awareness in our club. The Youth Volunteer Program provides experiential opportunities to learn about group lessons, to promote water safety with the children and to assist our swim instructors. Our youth volunteers will also learn about how to communicate with members and Mooredale Pool staff and assist in week day morning group lessons (8:30-11:30AM), and operation of Mooredale Pool during this important part of our day.

Youth participation and inclusion in water safety programs is important because we hope these young people will become motivated to continue their training and skill development to a level where they could apply to work as a pool lifeguard and swim instructor at some pool in the future. There is no guarantee that Volunteers will be offered a position at the Mooredale Pool Club in the future.

Requirements:

- **Complete the Youth Volunteer Application Form and submit it to a Pool Manager**
- Must have completed Red Cross Swim Kids program (Level 10).
- Must be entering grade 7 to 11 in September 2020.
- Must have a keen interest in water safety and volunteering with swimmers of all ages.
- Must be available for a two-week session that coincides with the regular Red Cross Group Lesson schedule; (See application form for dates.)
- Must participate in a mandatory orientation and in-water emergency procedure session (dates and time will be made available to successful applicants)

If you have any questions or concerns, please feel free to contact a member of the Pool Management Team after May 23rd at: Phone: 416-922-3174 ext. 121 or E-mail: poolclub@mooredale.on.ca

Remember – we need to receive your application by June 12th, 2020 for pre-session, and June 27th for all other sessions. We look forward to reading your applications and working with you this summer!
