

# WEATHER POLICY

As Mooredale's Outdoor Hockey program uses the outdoor rink at Rosedale Park, the weather plays a significant factor in cancellations each season.

Sessions may be cancelled as a result of:

- heavy snow that is judged to negatively impact the safety of players, and/or render the ice unusable
- warm weather that softens the ice, and makes it unsafe for use
- rain, which can negatively impact the ice condition

## Weather Hotline

In the case of inclement weather, we ask that you check our weather hotline prior to your child's practice or game. The hotline will be updated by 3:30pm each day with the ice status.

Weather hotline: [416.922.3714 ext. 222](tel:416.922.3714)
